## BOOK 1

### *Mathaphobia®: How You Can Overcome Your Math Fears and Become a Rocket Scientist*

*By Olympia LePoint*

-----  
Struggle with math? Need to ace math classes? Overcome your fear without doing more math problems!

The answers are inside this book.  
-----

Rocket Scientist by Olympia LePoint, M.S. is an empowering, thought-provoking, self-help book exposing the emotional struggles individuals face, while learning to read and use math. Using her own challenges and educational triumph as a backdrop, Olympia LePoint discovers the crippling learning disability Mathaphobia®, and does a superior examination into the reasoning

behind math fear, through the exploration of distinct Mathaphobia® personalities. With a uniquely innovative three-step strategy, Olympia LePoint shares the method to eliminate math fear for good. The award-winning rocket scientist also offers excellent self-help tools and leadership strategies in creating successful learning habits. As a supplemental education resource guide to create math and real-life solutions, this manual helps adults and pre-college students to ace math – all without doing more math problems!

## BOOK 2

### *Answers Unleashed ®: The Science of Unleashing Your Brain's Power*

*By Olympia LePoint*

---

#### OUTWIT YOUR LIFE CHALLENGES WITH YOUR BRAIN'S POWER

Do you use your full brainpower? Need to overcome a challenging situation and regain success? How can you transform painful memories to serve you? Want to invent technology or need to reinvent your life?

The answers are inside this book.

---

Countless books have been written about the process of restoring the mind after traumatic situations. But Answers Unleashed: The Science of Unleashing

Your Brain's Power by Olympia LePoint is the first self-help brain success book written by an award-winning rocket scientist who overcame her own life challenges to launch 28 NASA Space Shuttle missions into Space. Olympia LePoint helps readers launch their lives into success by revealing the power of the "Triabrain" using "Triabrain Theory of Relativity" that LePoint developed to

rewire her own brain. Readers unleash their intuitive abilities, birth great ideas into scientific innovation, and change the course of their lives by attracting lucrative success. You can become a genius at any age!

Readers Learn:

- The “Triabrain” and how it helps in overcoming challenges
- What “Brainbrink” does in the brain of genius people
- Definition of a “Fractal Moment” of how one personal decision can improve multiple lives
- Ways to use self-directed thoughts to remove stress for executive decision making
- How to use your natural intuition as a part of your daily decision making
- Ways to create success by inventing new business products
- Daily exercises to increase brainpower – logic, expressive and inventive brainpower

Endorsed by neuroscientist and author Dr. Jeffrey Schwartz M.D. and retired NASA astronaut Robert Curbeam, Answers Unleashed shows audiences how to succeed through brainpower-based -thoughts that LePoint used on herself to overcome her life’s circumstances. Whether someone needs to rewire their brain in business, university education or self-help relationships, LePoint reveals how chaotic situations produces “brainbrink” which stalls the brain of smart people. And LePoint show how to rewire your brain through self-directed thoughts. As a method to explain how she unleashed her own brainpower, LePoint applies rocket science to her personal story as read in the easy-to-read thrilling chapters. Audiences learn to take ownership in changing their limiting beliefs, overcoming fear and launching their lives into success!

## BOOK 3

### *Answers Unleashed ® II : The Science of Attracting What You Want*

*By Olympia LePoint*

-----  
MAKE 6 DECISIONS TO ATTRACT THE FUTURE YOU WANT

Overcome your fear of the future. There is HOPE in your future. Jump into the future that you want, then come back and make the six decisions to get there.

-----  
At the top of her Answers Unleashed ® speaking tour, Olympia LePoint was flying to multiple cities and was reaching international success. Then at the doctor’s office in 2019, she received the horrible news. She made the tough decision that saved her life, then protected herself through a 2020 pandemic to heal. She used her NASA experience and faith to do it.

In Answers Unleashed II: The Science of Attracting What You Want, LePoint defines a new decision-making science called Quantum Deciding. You can jump into the future that you want, then come back and make the six decisions to get there. Foreword by retired NASA Astronaut Robert Curbeam and endorsed by

top professors and CEOs, this textbook explains human decision-making with a unique science of its own. With Albert Einstein's quantum entanglement, LePoint introduces healing, decision-making exercises and new mathematics to reveal the three time versions of you who work together for your success. Make decisions in a fearless way, so you can jump through time, withstand the test of time, and meet the successful YOU!

The book is endorsed by the following leaders:

- Retired NASA Astronaut Robert Curbeam, who wrote the foreword
- Fran Ervin, Award-Winning Film Producer
- Steve Hobart, Commercial Space Launch Executive
- Dr. Mark Schilling, Award-Winning Math Professor at California State University Northridge
- Executive Sandra J. Washington, CEO of ADMIN CEO Global LLC
- Dr. Dawn Dennis, History Professor at California State University Los Angeles
- Director T. Fox, Business Department Educational Success Director at California State University Los Angeles
- Athena Dhawan, MFT and Trauma Therapy Psychologist
- Raeleen Taylor, LCSW Licensed Clinical Social Worker
- Dr. Drew Sams, Head Pastor at Bel Air Church
